The mayor and aldermen of Huntingdon acted wisely last week when they invested \$1,000 of the sinking fund in the hands of the treasurer for war savings stamps. The money was idle and likely to remain so some time, and it was suggested that it might as well be helping Uncle Sam win the war, and at the same time be accumulating interest for the benefit of the corporation. It was a good investment and showed the proper spirit.

McKenzie Nine Victors

A special from McKenzie gave the following account of a baseball game in which the Huntingdon boys were worsted:

The strong McTyre team of McKenzie defeated the Industrial and Training School lads of Huntingdon by the tune of 5 to 9. The visitors flew up in the third and the locals scored four runs. A desperate effort was made to score in the ninth. Bonds singled to left, stole second. Greene tried
